LIVING WITH A LAND

GOSTUJIČE PREDAVANJE 019

PLEČNIKOVA PREDAVALNICA

18:00

17.04.

Peter Stutchbury is recognised for his innovative approach to sustainability and design. Time spent living in the desert country of western NSW during his formative years, allowed him to develop a deep appreciation of the Australian landscape and its sustainability.

The lecture is part of ISA 2019 - IMMERSIVE SCHOOL OF ARCHITECTURE, organised between 11th – 16th April 2019 in Trenta, Triglav National park, Slovenija.
